ANTI BULLYING WEEK:

This is a very important week in the school.

It is Anti Bullying Week.

The focus of Anti-Bullying Week 2019 is on the theme,

'Change Starts With Us '.

Whether it is verbal, physical, online or in-person, bullying has an impact on a child's life.

By making small, simple changes, we can break this cycle and create a safe environment for everyone,

where everyone is heard.

Because together, we can end bullying.
